

Project Type: Pet Care

New Construction

Project: Best Friends Pet Resort & Salon
Client: Best Friends Pet Care, Inc
Location: Prototype - Nationwide
Size: 16,000 sq.ft.

Project Description:

Prototype building for nationwide roll out program. The project consisted of the design and development of a free standing multi-service pet resort and salon. The building program included a two story dog kennel, salon, bathing and grooming services, obedience training, assisted care, playrooms, kitchen/laundry, bathrooms, break room, cat condos, veterinary clinic, lobby/retail area mezzanine observation platform and office. To date there are approximately 10 prototype buildings in operation nationwide.
