

# Project Type: Pet Care

Renovation/Adaptive Reuse

**Project:** Guide Dog Training Facility  
**Client:** Guide Dog Foundation for the Blind  
**Location:** 15 Fifty Acre Road Smithtown, NY  
**Size:** 20,000 sq.ft.

## Project Description:

This project required design and development of an existing warehouse facility into a Guide Dog Training facility, which is directly adjacent to the existing Guide Dog campus. The program included space planning of offices, conference, bathrooms, lunch room, group room, workshop, mezzanine storage, kitchen, bathing and grooming services, dog kennel (88 runs), van loading area and veterinary clinic. The program also included the development of a new exterior metal roof and classical column entry feature, introduction of windows and overhead doors, metal roof canopy and exterior sidewalk and lighting improvements.
