## Project Description

This synagogue was home to the Jewish Orthodox Community for almost 20 years. The project included Design, Construction Documents and Construction Administration services for this one-story freestanding building. The program included a multi-purpose space for weekly Sabbath Services, various temple functions, daily prayer room, full service kitchen. The Chevrat Nashim-South Shore Area Mikvah (ritual pool) was designed and built to serve the South Shore Community who follow the rituals of immersion.
