

Project Type: Restaurant

New Construction

Project: Border Cafe
Client: Michael Larkin & Partners
Location: Route 1 - Saugus, MA
Size: 6,000 Sf

Project Description:

This project was for the design and development of construction documents for a 6,000 sq. ft. freestanding Southwestern Tex-Mex theme restaurant.

Design of the exterior facade and interior finishes were influenced by non-traditional, authentic TiaJuana, Mexico decor. Particular attention was paid to the type of siding (weathered/rusticated brick), non-matching glazing, light fixtures, flooring and furniture to accurately depict a south of the border restaurant.
