Renovations

Project: 119 Parkingway
Location: Quincy, MA
Client: Atlantic Management
Size: 12,700 sq.ft.

Project Description:

This project consisted of renovations and modifications to an existing automotive service building necessary to transform it into a multi tenant retail use. Renovations included: exterior facade reconstruction and interior space planning for this multi-tenant building. The project required development of new entry facades, and installation of Exterior Insulation Finish System, architectural concrete block, and aluminum storefront on the exterior facade. Site improvements consisted of new sidewalks, planters, parking, lighting and new utility service entries.
