

Project Type: Retail

New Construction

Project: Retail Building
Client: Lincoln-Rich Properties
Location: 103 West Main Street
Norton, MA
Size: 5,800 sq.ft

Project Description:

Project tasks included: Building and site design of a free standing Dunkin Donuts building with second floor corporate offices for Lincoln-Rich Properties . The Lincoln-Rich Properties requested that the building relate to the surrounding residential vernacular. Detailed computer generated renderings were used to depict the proposed design and proposed vehicular flow for local municipal review and approval.
