

Project Type: Retail

New Construction

Project: Westside Marketplace
Location: 867 Pearl Street
Brockton, MA
Client: Berish Properties
Size: 14,500 sq.ft.

Project Description:

Project consisted of the design of a new multi-tenant shopping center building. The design goal was to provide a building floor plan and entry facades to allow the owner to lease to three larger type tenants, as well as to provide multiple smaller type stores to service the surrounding community. The exterior materials include clapboard siding and trim details, decorative brick and precast accents, featured entry facades and
